Dear Parents and Friends,

Friday 13th June 2014

Thank you to everyone who returned the surveys this week. Any returned from Tuesday were still looked at and any comments taken on board. The survey provided us with a snapshot of viewpoints which is always very helpful.

Thank you also to any parents and carers who have managed to make it into school this week, we were pleased with the numbers able to attend. I hope you found it useful. We will repeat it again in the autumn term.

The weather this week has been glorious and the children who took part in the Country Dance festival on Wednesday enjoyed dancing in the sunshine. Well done to them for representing our school so well. We are now into a busy period for sporting activities and it is great for our children to be able to participate in so many different events. A team of year 5 and 6 pupils took part in the Cowes Area Athletics earlier in the week. Mrs Hunnybun reported that all competitors had a great time, behaved well and many beat their personal bests. Aspiring to achieve personal goals and excelling is a great reward in itself - so well done to all who took part. Overall the team came 5th out of 7, and made Mrs Hunnybun very proud. The girls played their first ever cricket match this week with Mrs Fish, who said they demonstrated their cricket skills very well and were a fantastic team. They played well but were narrowly beaten into second place.

Next week we have a couple of classes on school trips, year 5 are visiting Ventnor Botanical Garden and year 4 are off to the royal residence, having received an invitation from Queen Victoria herself! Halfords are also in to provide a bicycle workshop for year 6 and on Friday our tennis players will be representing our school in the Hampshire tennis championship finals- a very busy week ahead!

With the very warm weather and very hot classrooms, please ensure that your child has a water bottle with them as well as a sun hat and cream. We will encourage the children outside to be sensible about too much running around and encourage them to stay in the shade, but every precaution is wise.

Have a good festival weekend, enjoying the music if you are revelling, or the peace, quiet and sunshine if you are not!

Kind regards,

Peta Mather
