Headteacher: Mrs Peta Mather

Dear Parents and Friends,

Friday 2nd October 2015

Thank you to everyone who has returned sponsorship money from the Ramble Around Wootton. From the donations returned we have raised a total of £812.00. Mrs Chessell has kept a list of those children who all returned sponsorship money and they all deserve a huge well done! We have decided to use the money raised towards paying for the theatre company that visit us in January.

The final total raised last Friday for the MacMillan appeal was £235.47 which is fantastic- thank you again. This has now been paid to the charity.

This week we have ordered some new maths resources that will support maths learning across the school. The PTA are funding these and when they arrive we will display them for you to see. It is great to see the funds raised going straight back to benefit the children.

All schools have been contacted regarding a free e-safety information session for parents. It is really important to keep ourselves, as parents, up to date. Do try and attend if you can- details are later in the newsletter and also on the hall window.

The Cauliflower Card orders have been returned to school- thank you for supporting this- I know you will not be disappointed when your cards arrive as they are always lovely and a great keepsake too.

On Monday morning, Ross Edmunds will be joining me in assembly to explain to the children about the Sustrans project. He will be following this up with a free breakfast for parents and children on Wednesday 7th October at 7.45am in the school hall. Please complete and return the slip at the end of the newsletter if you would like to come along and hear about the project and how it will benefit your child.

I mentioned in a previous newsletter about the Parents Information evening that we will be holding on Wednesday 21st October, 6-8pm. Please can you complete and return the slip at the end of the newsletter to indicate if you will be attending. During the evening we will be providing you information on: 1. Curriculum and Assessment- Life without levels, 2. Growth Mindset and 3. Writing. We very much hope we have a full hall!

Have a great weekend

Kind regards,

Peta Mather
