Dear Parents and Friends,

Friday 27th November 2015

Only three weeks to go until the end of term- it just does not seem possible!

This week I have met with all teachers to discuss the progress the children have made this term so far and we have identified any additional support that may be allocated to support in classrooms from January. It is really vital that all parents make an appointment to meet with their child's class teacher every term to discuss progress and see in which areas the children would benefit from further support at home. If you have not yet seen your child's teacher during this term- please can I urge you to contact them as soon as possible. The new spring term lists are now available in the hall for you to sign up on. Years 2, 4 and 6 will be the first half term and 1,3,5 and reception will be during the second half.

On Wednesday we had our second Boom Day- where the children found out about Christmas traditions around the world. By 2 o'clock all classes had produced displays demonstrating their learning and the children presented what they had learned to the whole school and our judges, governors Debs Blake and Maggie Hartley. Well done to all of the classes and this time year 2 were chosen as the winners who wore mufti on Thursday of this week. Thank you to Maggie and Debs who were fine judges on the day!

Our Christmas tree arrives early next week so please remember to make your decorations for the tree, if not already made! Bring them in on Tuesday morning- ensure they are clearly labelled. Winners will be announced in assembly, and then the tree will be decorated.

The children are all going to be involved in rehearsals for the Christmas show next week- hopefully you will all have received information regarding costumes. On the evenings of the performances all children need to return to school at 5.30 and come up the steps through the main entrance. The door will not be unlocked until 5.30 so please do not ring the bell! Please can parents say goodbye at this point- there will be a member of staff on the door and children can then walk independently through to classrooms where they will be met by staff. Parents who will then be watching the show will be required to go to the hall doors for entry to the hall and tickets will be needed for admission. As soon as we have had our dress rehearsal we shall let you know the time the children need to be collected.

Thank you again for the items brought in for the fayre today- the Christmas fayre looks set to be another success - thank you in advance for all of the planning and organisation that has been done towards this event.

Have a great weekend- and don't forget to make your decoration!

Kind regards,

Peta Mather

Wootton U11s Football vs Arreton

On Thursday 19th November the Wootton boy's football team played a home game against Arreton. Both teams played well. Arreton scored in the first half of the game. Even though there were some good shots on goal and great saves from both keepers, Arreton scored again in the second half. The final score was 2-0 to Arreton.

Wootton U9s Football vs Arreton

Wootton Primary took on Arreton on Friday 20th November. All the players were showing their skills with passing and defending. It was a great team effort but the person I feel who worked hardest for us was William Takel, who also scored a goal. Unfortunately we lost 2 – 1. However, it was a close game against a really good side, and I was very proud to be captain.

Dear Parents

Whoop whoop!! Bug Club has launched for Reception, Year 1 and Year 2! The school has bought a brand new online reading scheme which your child can access at home using any device available. The 'Bug Club' club within school has proved to be very popular with the children. We would like to introduce this to you at a special meeting on **Thursday 3rd December at 9.00 a.m.** Your child needs an individual log in for the activity which will be given out by class teachers. I can't wait to share it with you. If you are unable to attend you are welcome to observe the bug club group within school from 3.15p.m. on a Tuesday for this term only.

Hope to see you then
 Kind regards
 Heather Grimes

SERVICE PUPIL PREMIUM 2016

This message is for the attention of Regular Forces Service parents based in England. If your child attends a state school, Academy or Free school in England and has been registered with the school as a Service pupil, the school will be granted a Service Pupil Premium of £300.

The Service Pupil Premium (SPP) is provided by the Department for Education to enable schools to offer additional, mainly pastoral, support during challenging times, which could include anything from a Service parent being away, being injured on active service to bereavement. Funds are paid directly to schools; with Head Teachers and school Governors deciding how the funds are used.

Schools with Service children in Reception to Year 11 classes are eligible to receive SPP, but only if your child's name appears on the school roll as being a Service child. The annual census takes place on **21 Jan 2016** and children must be registered with the school before this date. You are encouraged to contact the school and make them aware your child is from a Service family. This information is not shared with other organisations and is protected on the National Pupil database.

For more information on eligibility, please see the links below:
