Dear Parents and Friends,

Friday 11th March 2016

This week has been quite a quiet week. Children have been in classes busy working on literacy, numeracy and topic work. The weather has taken a turn for the worse but it hasn't stopped the children from getting out and about. We had a lot of children taking part in the Sustrans Activity this week, hopefully it will lead to more children using bikes, scooters or walking to school. As well as encouraging healthy lifestyles we are also trying to promote safety. It has been noted that a large number of children are 'scooting' to school without a helmet. As a school we would like to encourage the safe movement of children to and from school even if it is a short distance.

Kind regards

Mike Gregory
 Deputy Headteacher

Parent Governor Election

We recently counted up the votes for the Parent Governor Election and I would like to announce the winning applicant was Mrs Claire Attrill. I'm sure she will prove to be a very valuable member of the team. I would also like to extend a big thank you to the other applicants, your time and effort was very much appreciated.
