Headteacher: Mr Richard May / Mrs Jane Wilford

Dear Parents and Friends,

Friday 3rd January 2017

It's been yet another busy and exciting week at Wootton! As you will now have heard I am delighted to have been offered the position of Head teacher and thank you for all your words of encouragement. I am looking forward to working with you all to continue to drive the school forward and ensure that every child receives the best education and opportunities that they deserve.

The children from Year two had a really good day with Miss Bridges and her team at Winchester's Science Museum —the children enjoyed many 'hands-on' activities to develop their scientific understanding and skills and it was a delight to see them writing so passionately about their trip today. It is always such a privilege to get feedback from the staff regarding the children's behaviour as they wear their uniform with pride, being such good ambassadors of our school. As with last week's trip we received lots of compliments from members of the public about the impeccable and polite behaviour of the children.

Sport has also been a highlight of the week with our girls football team winning on penalties and getting to the final, our netball team through to the next round and our tag rugby team playing in the final, coming 2nd place overall—another fantastic result! Again, our children are such positive ambassadors for the school, showing great sportsmanship and maturity.

Several parents have approached me during the week with regards to lost items of clothing within school—can I take this opportunity to ask you to check that your child's belongings belong to you and that items are all named? We are always seeking to develop children's independence and encourage them to look after their belongings, I am sure we can continue to work together on this!

Next week, we will be exploring activities that are coming up over the next half-term and will get the dates of these to you on the newsletter, so that you can put them in your diary!

In the meantime, have a good weekend.

Yours sincerely,

Richard May and Jane Wilford
