Dear Parents and friends,

7th July 2017

On Monday you will be receiving your child's end of year report. This is a new style report which will show the progress that your child had made this year and identify any areas they may need to work on over the summer holiday to ensure that they are ready and prepared for their next year of learning. Within your report you will receive a letter to explain the codes used within the report and also a response form to return to school. If you are able to complete this and return to school I would be so grateful as this feedback supports the journey that the school is on. On Thursday your child's teacher will be available in their classroom for you to discuss your child's report if you wish to, or you can pop into see your child's new teacher. Staff will be available from 3.15 to 6pm, there is no need to sign up for a time slot as this is not a formal parents evening. We will be holding a formal parents evening early in September.

Library Challenge

On Monday we welcomed a guest in assembly from Ryde library, who came to tell us about the summer reading challenge taking place across all the libraries on the island. The children are encouraged to join this free event, where they get stickers and prizes for reading, resulting in a medal at the end of the event. It would be lovely to have as many children as possible take part in this and I have told them that they will get extra House Points in September if they bring their certificate to school! It is important the children continue to read over the summer break and this is an excellent way to keep them excited and motivated to read!

Cricket

On Monday our Year 3 and 4 cricket team took part in the Island cricket tournament, coming 2nd out of all of the schools. They have been commended for the amazing effort they put in and represented the school so positively - Thank you to Mrs Fish for supporting the children and well done children!

Active Travel

Thank you to all the children who took part in the Active Travel week, walking, cycling and scooting to school to complete their challenge card. All children who returned their card were presented with a small prize in assembly and their names were then entered into a draw to win a Sustrans teddy. The lucky winner was Phoebe in Year 3 - well done!

Olympic Sponsorship

Thank you for returning all the sponsorship money to support our Olympic athletes following our sponsored event. I am delighted to share that we have received a £305.46 sports token to purchase P.E. resources.

Sports Days

Talking of athletes - I am confident that we have several young athletes in the making here at Wootton! What a wonderful 2 sports afternoons we held this week - glorious weather (maybe a little too hot!) and such a great turnout of supporters! Thank you so much for coming to watch the children and be part of our afternoons - I am so proud of all of the children - they showed such resilience and collaboration, taking part in all of the events so enthusiastically! Well done to Red House for winning overall. Thank you again to both Miss Marshall and Mrs Fish for planning these events, along with Year 6 but also my thanks goes to all the staff for supporting the children and providing a great atmosphere - I feel very honoured to have such a wonderful staff team here.

Little Princess Trust

Another proud moment occurred this week when Lily-Mae in Year 1 showed me her wonderful new hair style explaining that she had donated her lovely long hair to the Little Princess Trust charity. I have never had so many children in the same school show such kindness to children less fortunate than themselves - well done Lily-Mae.

I look forward to seeing you next Friday at our family picnic, but in the meantime have a wonderful weekend.

Yours sincerely

THE READING AGENCY AND LIBRARIES PRESENT

ANIMAL AGENTS

SUMMER READING CHALLENGE 2017

animal-agents.org.uk

Our local library staff have been telling the children how to take part in Animal Agents, this year's Summer Reading Challenge.

The children will tell you all about it! All they have to do is read SIX library books and visit the library regularly over the summer, collecting special stickers and incentives along the way.

Please encourage your children to visit the library and sign up and see the difference the Summer Reading Challenge makes to their reading.

We will be celebrating and rewarding all children who took part at the beginning of the new school year.

It's FUN!
 It's FREE!
 It's LOCAL!
