11th May 2018

Headteacher's Update

Dear Parents,

Whilst covering the front office last week, I had the opportunity to talk to a member of the Wootton Bridge Parish Council, who was delivering a gift for a child at our school to thank them. On 28th April, Rachel in Year 6 joined the village tidy up and filled 3 large bags of rubbish. As last year, Rachel was the only young person who helped out and this year managed to collect the most rubbish! Well done Rachel—a really great job!

Thank you to the few people who came along to the PTA planning meeting on Tuesday. We had a very exciting discussion, making plans for the summer fayre this year. The PTA would like to try something new, with the hope of raising more money for the school, by merging the two summer events into one evening. The summer fayre will be held on Friday 13th July 3—5pm followed swiftly by the family picnic at 5.30pm. More details will follow soon but please put the date in your diaries and start saving your change as this is going to a busy fayre with many different stalls and activities.

Talking of activities, I hope to see lots of you next Friday at our maths event, but before this at the plant and paint event tomorrow (Saturday) at 2pm. The garden is almost there and is amazing and the school is so grateful to the few people who have been heavily involved in this. Please join me tomorrow to offer help and show appreciation for all the work that has gone in to making this area such an excellent resource for the school and community.

At the start of the week we received a nice surprise in the post in the form of a cheque from the charity 'Isle Drive Safe—Remember Evey'. The charity is going to be brought to a close and a donation has been given to schools to be

used for future road safety initiatives. I will be meeting with the School Council to decide how we can use this money effectively and our thanks will be sent to the charity.

We heard from several different children in assembly today about their sporting achievements - Jack in Year 4 told us about the trophy he was given last week at a football tournament, playing for the Vectis White U9 team, Fergus was presented with a medal for running last weekend, Lexi in Reception and Abbie in Year 2 both have achieved swimming grades and Rachel in Year 6 took part in the Randonee last Sunday, cycling half of the route—well done to you all!

Next week our Year 6 children will have the opportunity to 'shine' and demonstrate all their learning since Reception when completing their SATs. Whilst the process often can initiate anxiety for some, we are so proud of Year 6 and are confident that they will embrace the challenge and give it their best effort. If parents of children in Year 6 can ensure their child gets some early nights over the weekend and next week, I know this will aid their focus and concentration. I am sure their early breakfasts will also help next week; see you at 8.15am on Monday, Year 6!

In the meantime have a lovely weekend—hopefully see you in the sun tomorrow for painting and planting!

Jane Wilford
