'All our children can achieve success'

15th June 2018

Headteacher's Update

Dear Parents,

Another busy week flies past and so much has happened! It was an absolute delight to join Year 3 at Havenstreet on Wednesday for the Island Primary country dancing festival. The children behaved so well but above all danced with such energy and positivity, despite the heat! I was particularly impressed that they had learnt so many dances, more than any other school - well done Year 3 and well done to Mrs Fish for teaching them so well!

It has been great to see so many bikes and scooters in school this week. Congratulations to all the children who received a prize and thank you to Year 6 sports ambassadors for running the competition. We would still love to see the same number of children cycling and scooting to school, so keep it up!

Our congratulations go to Mrs Grimes who has successfully passed the National Award for SEND Co-ordination. She has been working on this for over 18 months and we are so proud that her hard work and determination has paid off - well done, Mrs Grimes!

You may recall some time ago that I shared that the school was going to be part of the DfE building programme and that we would be having some alterations made to improve our school. It has been brought to my attention that there is some concern that our school is going to be closed down as we do not have a new building planned - please be reassured that this is not the case! Wootton Primary is a rapidly improving school, with a growing community and an increasing number of children joining us, and there are no plans to close! We are still in the DfE building project and hope very soon to have further information about this to share with you.

Well done to Year 1 and a few children in Year 2 who completed their phonic assessment this week. The children were so calm and positive and showed maturity and resilience when challenged with some very unusual words! Well done, children. The results of these will be published with your child's report.

Miss MacDonald says "If you are having any issues with logging onto the School Money system, please copy and paste the link below into your browser for a parent guide.

https://sm1.schoolmoney.co.uk/client/school_money/html/user_guides/Parent%20Guide.pdf

When logging in, please ensure you click on School Money **parent** login rather than School Money **school** login".

Thank you to all the parents who attended a carnival workshop today. I look forward to working with others tomorrow. The costumes look amazing and we are working hard to be ready for the parade on Saturday 30th June.

In the meantime, have a lovely weekend.

Jane Wilford

Achievements

Kaymen in Year 5 has been awarded with a medal and trophy for doing really well in his first year of being part of a football team. Good effort, Kaymen.

Violet in Year 2 has been awarded with a certificate for achieving her 9th kup yellow stripe belt in Tae Kwon do. Excellent job, Violet.

Elise in Year 1 has moved up a level in swimming!

Mrs Fish reports that the U11 boys' cricket team has been in action again this week, playing a quarter-final match against Newport C. of E. Primary on Thursday afternoon. A great performance, both with bat and ball, ensured that the team progresses to the semi-final of this competition. In winning this game, Wootton scored another record number of runs with 283 scored!
